Welcome to Preschool!!

We hope that everyone had a safe, healthy and enjoyable summer. All of us here at the Osgood Integrated Preschool are excited to start a new school year, and look forward to working with you and your child.

ALL ABOUT YOU & ME

During our first couple of weeks, we will be giving the children some extra time to visit with new friends and settle into our classroom. We will be easing into our routine and allowing the children some time to get acquainted. It is also during this time that we will be working on building classroom community, which will be reinforced frequently throughout the year. Our first unit, All About You and Me, is the perfect opportunity to lay our foundation, and it is during this time that the children will have a chance to get to know themselves a little better, as well as, each other. We will be talking about how we are the same and different, and how those differences make each of us special. We will be emphasizing the importance of respecting others and ourselves and appreciating the unique qualities that make each of us individuals. We will be discussing what it means to be a good friend and recognizing how all of our special qualities contribute to our class and make it truly great! Throughout the unit, we will be developing new skills introduced by our various preschool curricula.
